

Music File Organizer v.8.22 Released

Monday, 15 January 2007

Was released Music File Organizer v. 8.22

Differences, related to previous versions:

- Support of most widely spreaded archive formats. Now Music File Organizer will be able to process archives content or, according to user settings, rename archives using their internal content and properties.
- Appended functionality to the panel with realtime information.
- Appended playlists to Image and Media previewers.
- Increased speed of file processing engine.

Last product version may be purchased in our online store. All registered Music File Organizer users can get it for free.
